

# CREATE YOUR OWN PEACE SYMBOL

Connect the dots below numerically to create your very own peace symbol! After you connect the dots found in the "A" set, move onto the "B" set and start your line again. Do this until you finish connecting the "E" dots. Be sure to decorate your peace symbol when you're done!

Learn more about the peace symbol in *Three Lines in a Circle: The Exciting Life of the Peace Symbol*, by Michael G. Long, illustrated by Carlos Vélez.
